Subject: Request for Support/Assistance

Dear Friends and Colleagues,

You know me in a variety of capacities and you know that I am passionate about Education, Health Care including Mental Health, building a Safe & Caring Society and Active Transportation.

I am running for the PC Nomination in Edmonton Riverview. Often times I have heard that we need advocates for our concerns and champions within government in these areas. I strongly believe in proactive measures and I would like to advocate in this regard. There is so much more to do and I am running for PC Nomination as I like the direction the Premier is taking the province.

I feel that I could be an effective champion within government. In order to win the PC nomination and run in the next provincial election I need your assistance and support. If you live in Edmonton Riverview riding (map attached) would you consider supporting my nomination....you will need a PC membership to sign nomination papers and to vote on January 27th. Memberships are available for sale online <http://www.albertapc.ab.ca/admin/content/default.cfm?PageId=9244> or through our campaign team by emailing me.

In addition, I need your help selling memberships as this is really about getting people out to vote on January 27th. I have membership books that you can sell at \$5.00 / membership. Telephone canvassers are also needed.

If you don't live in the area, please forward this to your networks and connections.

If you are willing and able to help me , please advise THANK YOU!!!

Beverley Esslinger
